## **funk**

watermelon man  
turn on, tune in, drop out  
night train  
think  
get up offa that thing  
i feel good  
papa's got a brand new bag  
sex machine  
kiss  
pick up the pieces  
play that funky music white boy  
i wish  
cold sweat  
sunshine of your love  
long train running  
jungle boogie  
sing a simple song  
heard it through the grapvine  
mr big stuff

## **soul**

midnight hour  
mustang sally  
don't change horses  
harlem shuffle  
i can see clearly  
spooky  
i can't stand the rain  
chain of fools  
son of a preacher man  
stand by me  
99lbs  
lady marmalade  
soul man  
hard to handle  
land of a thousand dances  
treat her right  
memphis soul stew  
i never loved a man  
take me to the river  
here come the girls  
wrap it up  
the letter  
hold on i'm coming  
sweet soul music  
move on up  
tainted love  
its your thing  
here come the girls

## **rock and roll**

do you love me  
reet petite  
all shook up  
that's alright now mama  
hound dog  
jailhouse rock  
i saw her standing there  
see you later alligator  
johnny b goode  
reet petite  
get it on  
drive my car

## **blues/r&b**

brown eyed girl  
moondance  
let's work together  
i just wanna make love to you  
walkin' the dog  
peter gunn  
high heeled sneakers  
knock on wood  
barefootin'  
precious time  
route 66  
need your love so bad  
shake your tail feather  
sweet home chicago  
leave your hat on  
everybody needs somebody

## **ballads**

you do something to me  
thank you  
stand by me

## **latin**

tequila

## **country**

stuck in the middle

## **reggae**

three little birds  
cupid

## **no longer included (but can be requested)**

canteloupe island  
think  
i'll walk away  
wang dang doodle  
proud mary  
no particular  
place to go  
on broadway  
wonderful world  
return to sender  
i'd rather go blind  
killing me softly  
sunshine day  
respect  
green onions  
my babe  
love me like a man  
hit the road jack  
under the boardwalk  
heartbreak hotel
